“ I grew up with and went to school with Tommy and I have many great memories of our childhood days. We had so many good times growing up on the mill village. He was a great person and I always looked forward to talking with him as he would stop by from time to time and talk about old times. I would also see him at the East Newnan reunion where we all had a good time. He was truly one of the Great ones.

He was well liked and respected by everyone and he will be missed by many.
