“ Scott and family: Just learned of your father's death. My family extends to yours our heartfelt condolences. My late husband, Paul, was always a good "judge of character", I know for a fact he believed your father to be an honest and gentle man. He always told me, if I ever had any problems with a vehicle and could not reach him--"Call Mr. Parker". A lesson I have taken to heart. For the past few years, it was changed to just--"Call Scott if you have car problems." Quiet a legacy for you, the one who fills his father's shoes so well. May God give you and your family the strength and love for today as well the future. Sharon Pettway and family
