“ Mike and I go back to high school days 1974. Mike was a special friend in the 70s. Fast forward to 2010 and with many years in-between we reunited friendship at a Morrow High School reunion. Mike became instrumental in helping my family and saving my daughter's life by directing her to The Potter House. While visiting her in Henry County and ministering to her he introduced himself and told her he was part of the FBI. She was alarmed of course, until he told her he was part of The Faithful Bible Investigators. He honestly helped save my daughter's life and I will forever be grateful. Mike you will be missed down here on Earth, but you will remain in our heart and memories forever. Love you friend 💔🙏💔

“ I have known Bro. Mike all my life, He always loved and prayed for me and my family. When I finally came back to church after years of running from God. He and his church welcomed me and my family with open arms and Godly love. The Lord used him and through him I got to witness my husband and daughter to get saved under his preaching and got to witness them both be baptized. Bro. Mike loved God first and then his family and church. He was not scared to share the gospel whenever he went and we will always be loved and remembered by my family and I. Not just as our first pastor but a second father to us.

“ I was too young to remember the first time we met but I have so many memories of hanging out with Mike and the entire Bassett Family. whether it was Church related at Valley View, running the neighborhood wit all the Valley View kids or Henderson/Bassett Family outings at Clifton Springs Pool, they are important parts of my childhood.

One memory that jumps out is watching TV in Mike's room on Saturday morning, the new channel called TBS on UHF with reception so fuzzy it would hurt your eyes!

Mike was always a good friend and as an adult how he loved my parents and Pastor to my mother (AKA Deacon Lonnie) for many years will always be with me.

Too many memories to list, but all are cherished. Mike, you will be remembered for the rest of my life.

“ Our hearts are deeply saddened by the passing of Pastor Mike. He was a steady, faithful servant of God whose life touched countless people with wisdom, kindness, and unwavering love. His presence carried peace, and his words carried truth. We are grateful for every moment, every prayer, and every seed of hope he planted in the lives of others.

We are holding SueAnne and the entire Bassett family close in our prayers.

May the Lord surround you with His comfort, strengthen you with His presence, and carry you gently through the days ahead. Mike's legacy will continue to shine through every life he touched, every heart he encouraged, and every soul he helped lead toward Christ.

With love, prayers, and deepest sympathy,

Dear Sue Anne and Family,

We are keeping your dear Michael in our hearts and prayers, and asking God to grant all of you peace and comfort.

Tom and I were blessed to have known Michael when he worked on our house.

Those were special times, for we were fortunate to get to know Michael as a person who would become our friend. His love for the Lord, his family, and kindness was always evident.

We will forever love and remember you, Michael.

You made us better and wiser people for knowing you, and we will never forget our kind and gentle teacher of much.

*All Our Love for Michael, Sue Anne and Family,
