“ With heartfelt sympathy I wish to extend our condolences to Natasha and Tim's family. I had the pleasure of working with Tim at USAir at Winston-Salem, NC in the mid 1990's. I was saddened to read of his passing. Sincerely, Gregg and Candee Delker

“ We are so sorry to hear of Tim's passing. Although we've lost touch him through the years, Tim was a big part of our family (our kids called him uncle Tim) while he was at USAir and Northwest Airlines. Our heartfelt sympathy goes out to Natasha and the whole family. With love and friendship, Nick, Tina, Cam, Nicky, Tiffany and Kate

“ Tim, you will be missed greatly by many. My heart is saddened by the gap you leave for so many in our family. I met you at Mark & Holly's wedding and was taken aback at how much you looked like Gene. You've always listened and we've had a great connection and insight as we discussed many things. I'm grateful you and Natasha lived close to me and Gene so we had time to spend together over these last years. You've been a blessing to Gene in many ways, and to me - and of course Natasha. A faithful man, husband and servant to God. May you rest well in heaven and may we meet you there. Well done good and faithful servant! We love you Tim. Thank you for all you've given to us, and the world in your time on earth. Much love, peace and joy to you. May you enter into heaven with the guidance of silent angels.

“ I am deeply saddened to hear about Tim's passing. I very much enjoyed working with Tim as a supplier to Delta Airlines. Tim was always helpful and positive in my experiences over the years in working with him over the phone and face to face. He was a very good "can do it" Engineer that I could always count on. There are not enough people like Tim in our industry and he will be missed. Tim and his family is in my prayers.

“ Tim: I never had the joy of meeting you, though it was my sincere desire. I am your cousin. Your heart would swell with pride and humble appreciation if you could see the great efforts being made to celebrate your life! Your wife, your parents, and sorrowing family are reluctantly trying their best to say "see you later", while wishing their was a way to keep you a little longer. Rest in the assurance that you are deeply loved and will be forever missed!

“ I miss you Tim. My God watch over you. You were my first nephew. I didn't like being called an uncle! I was so proud of you. Rest in peace bro. I love you-
