

Toby L. Bowden

July 28, 1973 - March 15, 2023

Toby Len Bowden was born on July 28, 1973 to Barry Bowden and Terrie Barnes. He was the oldest of five children. Toby died on March 15th doing what he loved doing - helping others. Toby has one son, Shea Bowden, and he was very proud of him. Toby served our country as a marine for 4 years, and in the late 90's, shortly after leaving the military, he began his towing career with Southern Towing of Atlanta, GA. Toby was employed at Parker Towing for eleven years, where he earned the respect of his co-workers and peers.

Toby was very proud to have been clean since October 6th of 2020. He attended NA meetings at least 4 times a week, and many times he would lead the meetings. Toby always felt that no addict was beyond help. He was involved in the Veterans Court and mentored other veterans. Toby never met a stranger; he was always willing to help others and he was quick to forgive.

Toby was to be married on September 17th of this year to Misty Wright. Toby and Misty have been together for 9 years, and Toby was to gain two stepchildren from the marriage, Haley and Kane Wright. Toby is preceded in death by his grandparents Mary and Donald Bowden, his father Barry Bowden, his aunt Joy Bowden, his cousin Chris Bowden, and his nephew Shane Bowden. Toby is also preceded in death by his beloved pit bull dogs, Blue and Brody, both of which will be laid to rest with him.

Toby is survived by his son Shea Bowden (Taran Ward), his mother Terrie Barnes, his fiancé Misty Wright, and her children Haley and Kane Wright. He is also survived by brothers Wilson Fuller (Bridgette Chapman), Joshua Bowden (Jasmine), sister Amanda Bowden, brother Quenton Barnes, brother Kory Gosssan (Jessie Goss), and brother Jeff Pope (Angie Echols).

*To the family.
I met Toby in 2016 when he applied and was accepted into the Coweta County Veteran's Court. I immediately knew that Toby would bring so much more to us and our program than just his struggles at that time. Toby graduated the program kept in constant touch and eventually became a mentor to not only the Veteran's that were in the program but also to anyone struggling with addiction and wanting a better life. To hear of Toby's passing was devastating to us as it was to everyone who heard the news. I would like the family to know that Toby was more to us than a participant, a graduate and a mentor he was FAMILY and we will miss him dearly and always acknowledge his good works and leadership.*

“ It's with much sadness that I write this message. I often wonder about my childhood friends with curiosity of how their lives turned out. Toby was someone I wondered about as I met and befriended him through his cousins and my childhood friends Chris and Kristi Bowden. I have fond memories of these times, and while some memories are vague in my recollection, the general feelings are those of delight, joy, wonder, hope, and being carefree. Shenandoah (White Oak) was a new and seemingly exciting place to live during this time, and when Toby came for his occasional visit it only added to the excitement that we were to experience as kids running around playing and laughing. Though I haven't seen him since being kids, there's nevertheless the sadness that comes from knowing that someone that was once happy and vibrant that you shared time with is now gone. There's consolation that his spirit now rests with God, and I pray that The Heavenly Father may watch over Toby's family always and that His spirit may bring forth peace and comfort during this challenging time.
