“ We would like to extend our heartfelt love and prayers to each of you during this difficult time. My Grandparents (Emmett and Katie Creel) thought the world of you all. They enjoyed the visits they shared. I know there will be a void in your life that only God can fill but with his loving touch he will guide you all through these difficult times. Just lean upon his word. Psalm 30:5b “weeping may endure for a night, but joy comes in the morning.” Psalms 30:5 Much love and many prayers from our family to yours!!
