“ Allen was a student of mine at Newnan High School. Although I haven't seen him in many years, I have fond memories of him. He was a joy to have in my classroom, always positive, out-going, fun to be around, and just an overall good and memorable student and person. My condolences to the family.--Penny Wilson

“ Allen was a classmate and a friend. I was so sad to hear of his passing. He was truly one of the nicest people I've ever known. He was always smiling and always positive, despite his health problems. He lived a life that involved spreading God's love to those around him. We need more people like him in our world today. He will be missed but never forgotten. My condolences to Tina and the family.
