“ Gantt family I'm truly sorry about the passing of Tressa. I would like leave something encouraging for the family. The pain of losing a loved one never really goes away. Revelation chapter 21 verse 4 assures that soon death will be no more.

“ When I was young, my "big sis" moved to NC; I realize now that Tressa tried to "take her place" a bit... Taking me to the Zoo once & (I think) my only trip to see the Rich's Christmas Tree Lighting!! She loved kids & just wanted a BIG family!! Glad I was part of that extended family at many Christmas & Thanksgiving gatherings!! Thanks, Cousin! You are Remembered & Missed!

Teresa,well hello there! I was glad to see that you had wrote a little something about mom. I just want to say that you were always there for mom when she needed you. And I want to simply say thanks so much for your kindness when it came to my mother. My life will never b the same now that shes gone! Knowing that i will never see her or talk to her again really has me feeling some type a way. But i am finding a little comfort knowing that my brother and my dad are both teaching her how to fly with her new angel wings.am I bring selfish because I'm missing her so much already? I love u mom!! Thanks again Teresa for everything throughout the years love ya!
