“ Una was always a joy to speak with! She was so uplifting and positive! She always asked about our kids, even when they got older and moved away. Our son is almost 24 now, and she still reminisced often about when he was very young, right after we had moved to Newnan and began attending St. George. Una always brought a smile to our faces and sweet memories. May she rest in peace. She will be missed. Prayers for her family.

“ Sending healing prayers and comfort during this difficult time to Una's family. Una was a devout Catholic who was an inspiration to St. George Catholic Church parishioners and their families for many years and still asked us how our children are doing, who are now adults. Una loved to see all the families at church and had that special smile on her face that I will never forget! She had a personal relationship with God and shared that gift with everyone she knew. She will be missed, but never forgotten... Rest in peace Una. Heaven gained another "Angel"

“ *I remember you as a child of about 10 or 11. I loved the 'way' you talked because I had never heard an accent in my life. You lived next door to us! You were always smiling, speaking to everyone and just so sweet! I have thought about you many, many times over the years. You are a beautiful memory in my heart....and now, you are home with your Lord and Savior. Cindy Moore Powell.*

“ *Rest In Peace Aunty Una, we loved hearing when you would be coming home to Ireland. I would be making sure that I had the right trainers as we would go walking for miles. Then a pit stop to Grogans where you would relax by the open fire. Truly going to miss you love always from your niece Trisha, Simon, great nieces Lily and Maddie*

Una was a good friend to me years ago. We worked together at Vend all company on Temple Avenue when I was in my twenties. That was a long time ago, but she talked about her kids all the time. We shared lunch together and talked about everything. I sure have missed her over the years. She was a sweet lady and I was very fond of her. May she rest in peace and I will see you again some day Una.

Oh Una! I was hoping to see you one last time before our time on earth was thru. I remember the day Jimmy Picked you up at the airport. You walked in the house you were so beautiul I thought how did Jimmy manage to land this woman! Oh the nights we stayed up talking and getting to know each other. My goodness you had that wonderful sense of humor...I am so sorry I didn't get to say goodbye, you have always been one of my favorite people in the whole wide world. You started our afternoon tea....you always had it ready when we got home from work. I showed you how to change the gears on th VW and you taught yourself to drive in the yard. Brenda (Gray) Hall.
