“ I was right in the middle of my memories and somehow it sent the message right in the middle of it. I was talking about how Curt, you, Wendy and I started our lives as double cousins, best friends and playmates. I have so many, many memories that we shared and they are forever etched in my mind. There are just so many wonderful memories...fun, a little sneakiness, trying to smoke rabbit tobacco and the list goes to infinity and beyond. Please give Mom a hug and kiss from me and you take care of yourselves and I know you will be looking out for us.
