“ I enjoyed getting to know Vicki as she worked for me last year. She had a heart for serving others and never knew a stranger!

“ I don't know what happened but we lived I. The same cul de sac when she lived in Grantville. She was always dressed to the "T", always looking nice. We chatted a few times thru Facebook after she moved. My mom was her neighbor and I live o. The other side of my mom. Vickie made mom a pecan pie when mom moved here in 2019. Once Vickie's Amazon package got delivered to my mom. It was a pair of pants. My mom opened them AND put them on. Vickie and I laughed so hard at that. My sincere condolences to the family

“ I'll always remember her dancing and being the life of the party when she would come into Cameron and I's classroom as room mom. She was always high energy, loving, and smiling. She was an amazing woman and I send my love.
