

Vickie Baker Buelterman

May 22, 1947 - May 31, 2023

Vickie Baker Buelterman, age 76, of Newnan and formally from East Point died May 31, 2023. She was born May 22, 1947 at Piedmont hospital in Atlanta. Vickie is the only child of her deceased parents, Hubert and Betty Baker. She is survived by her husband of forty-three years, Tommy Buelterman, her uncle and aunt, Terry and Linda Ransone, their children, Matt Ransone and Wendy Ransone Wallace along with several cousins.

Vickie is retired from the City of East Point. Initially, Vickie served as a crime scene technician for the police department. Prior to retirement, she served as secretary to the fire chief. She was a member of Westside Baptist Church.

Vickie grew to love her home in Newnan, but often said East Point would always have a special place in her heart. Just days before her passing, she expressed how grateful she was for having a loving husband who gave her such tender and nurturing love.

Vickie had an innate ability to attract friends, but more importantly true friendship. She possessed a child-like nature to look past the peripheral facade of each person she met and find the genuine, true nature of that person. To Vickie, you would become an instant friend without limitations.

Funeral services will be held at McKoon Funeral Home. Pastor Alton Midget of Westside Baptist Church will officiate. Visitation services will be Sunday, June 4 from 6:00 - 8:00 pm. Funeral Services will be held June 5 at 11:00 am.

Burial services will be at Oak Hill Cemetery in downtown Newnan.

“Remembering when Vickie came to work as an I.D. Tech with the East Point Police Dept. She was always eager to handle any case we asked her to work at various crime scenes. Everything was exactly what was asked of her and more. In those days the techs responded to just about every call to process scenes, major crime to minor thefts. She was missed when she left the P.D. A wonderful person.

“ *I was thinking of Vickie about 3 months ago,we haven't spoke in about 15 years, something told me to call her. She was so surprised and we talked for an hour she said she hasn't laughed this much in a long time.As we mourn her passing I look back on that phone call I made and I am sure glad I did.*
