“ My heart is breaking for you all. Vicki had so much passion for life. Every time I see a Camero or any old cool sports car - I think of her. She knew how to host an event or throw a party. Vicki enjoyed decorating, crafts, her grand daughter, her girls, fishing, working in the yard and was a Pinterest Junky. I will miss you Vicki. I wish you all peace. Love Stacy

“ Vicki was my work space neighbor for the last 4+ years at Cooper Lighting. She taught me all the lighting tips and tricks to maneuver through the work day . I will miss our chats, giggles, lunch time runs in her fast car and all the goodies from her farm. I'm grateful for our friendship and will cherish all the fond memories we shared. My work space and my work team will not be the same without her. I will miss her tremendously! Praying for peace and comfort for her family during this difficult time.

“ I could always count on Vicki for a warm smile and a giggle. Even during this time of great sorrow, she can somehow still bring a smile to my face. My last interaction with Vicki involved a joke a good laugh, a bittersweet memory that I can cherish.

“ I am sorry to hear about Vicki. Her smile and laugh was infectious. Whatever tickled her you knew you were in for a good laugh. Until she started to snort. Then we both would start laughing again.

It was a pleasure working with her at Cooper and calling her friend for many years.

Praying for you all. May God's peace and love surround you with His great comfort.

I worked with Vicki for many years at Cooper. There is no telling how many school permission slips I had her notarize for me. We talked often of NASCAR eventhough she loved Chevys. We had children in band at the same time so there was always a ballgame or marching competition to talk about. Vicki was sweet, hard working, and had a no nonsense way of getting things done. I am praying for her family during this most difficult time.
