“ Hello, My name is Susan Pope. My family and I lost our beautiful Meghann and her unborn baby girl, Talia to a domestic violence homicide in 2012. Her boyfriend ran over her and left her to die. Our family has a great faith in our heavenly father and our savior Jesus Christ that has sustained us to this day. You and your family are going thru a horrible time but know God has not forgotten you...you will survive...at this time you don't want to but you will...Please know you can contact us when and if you would like...I have given my contact info to a mutual acquaintance. Cry and pray...He hears your pleas

“ *To the Clanton Family,
I am so sorry for your loss. Losing a child has to be the most painful thing for a parent to deal with. I know the pain because I lost my son to a car wreck 2 years 5 months, 12 days ago. Just know you are not alone and my husband and I are praying for you. A poem that I have read many times is "If you could see me now." by Patsy Stambaugh Deskins. It has given me strength. If you ever want to talk to us we are available anytime.*
