“ We lived next door to the Hubert and Ora Allen family on Park Ave. across the street from Grant Park. Considered them to be our relatives. Loved them all and have many happy memories of those years as children. Virginia's passing is heaven's gain. Looking forward to rejoining them in Glory.

“ What precious memories I have of our time together ministering in the nursing home with Ms. Virginia and Ms. Earline, and Theresea and Mr. Joe. They are all together now celebrating at the feet of The Savior they loved so much. Ms. Virginia was such a powerful and anointed woman. I know she heard “WELL DONE”. Prayers for her family as they go thru these difficult days.

“ I remember growing up and spending time at her house. Virginia also kept us in line and she had a sweet spirit. I remember at SpringHill Baptist Church, the Holy Spirit would get a hold of her and she would start shouting in the choir and you better not let her hold the choir book because it would go a flying. She always had a smile and the Love of the Lord. I hated that she had to surfer in the end but now I know she is making up for it. Sure am glad for the memories. Love all of the family
