“ *I am so saddened to hear this news. Although Jennie and I had lost touch, we were quite close for many years. She had a kind heart and loved Jacob very much. She was so much fun to be around and could always make you laugh. I pray she is reunited with her mom. I am praying for her family, especially Jacob and her Dad. I am so sorry for your loss. I am grateful for the fun memories and years of friendship I had with Jennie.*

“ *My deepest sympathy to her family, I have known Jenny since she was a little girl. When I first moved to Ga with my family she was one of the sweetest little girls to my Daughter. They became best of friends in fact she convinced my Daughter to play tennis with her, we didn't have a lot of money at the time.. I thought there was no way I could afford for Gina to play, she spoke with her tennis coach Molly Shepard and who they called Miss Molly Took her time and gave Gina free lessons, and that is the kind of person Jenny was she seen and at such a young age and understood that my family couldn't afford lessons but somehow convinced Mrs Molly to do it, my Heart aches for her family and her son and I will always be forever grateful to her.. may you Rest In Peace Jenny and you are now re united with your beloved mother,*

Jenny, Jenny, Jenny

WOW, so sorry to see you go so soon. Your son Jacob I know will miss you more then anybody but not to worry, he is so surrounded with so many people that love him and will help him alone the way. The only thing that brings happiness to my heart is knowing that you will reunite with your mom and Joshua now.

We love and miss you already. See you on the other side one day.
