“ Sylvia and family - I'm so sorry to learn about the loss of your mother, my grandmother's sister and my sweet great-aunt Virginia. I loved her quick wit and spunk. She was elegant and beautiful and always a joy to be around.

I pray sweet memories give you all comfort during this time of tremendous loss.

*You're all in my prayers,

“ Sylvia, I am so sorry to hear of your Mother's passing. I pray for strength for you and your family during this difficult time. You and I have swapped many stories of our Mothers since we became friends, some funny and some sad. I know you will be lost not taking care of her, but she is completely well now and with her Savior. Love you girl.

“ *"Aunt Virginia" was my late, former husband Glenn Stone's aunt. I never saw her but a few times, but she was always smiling and Glenn loved her so much. I am so sorry for your loss.*

“ *Dearest Sylvia, Bo and Chris,
My heart goes out to you all during this time. While I haven't seen your Mom/Grandmother in many years, she was a big part of my life for many years. Sylvia and I contributed to many of her gray hairs, I am sure! Mrs. Virginia always welcomed me at her home and Sylvia and I have many fun sleep overs there. I am praying for you all during this difficult time. My heart is with you Sylvia and I wish I could be there with you!*

*Love,
Kathy*

“ Sylvia,
I never had the pleasure of meeting your mama but she raised one of my favorite people so I assume that she must have been an amazing woman. Even though we know that she is in the arms of Jesus she was your mama and I know that you are hurting right now. I want you to know that I love you and will be praying for you and your boys.

“ Mrs. Virginia,
I never had the privilege of meeting you but from the stories, I feel like I've always know you. You've raised an amazing daughter and I know she makes you proud. We will take care of Sylvia down here. Until we all meet again, celebrate being in the arms of Jesus and dancing on the streets of gold! Take care and be careful with those precious scissors!
