“ *Dear Susan and Mary Ann, I am was so sorry to hear your Mother had passed on. You and your family are in my thoughts and prayers at the sad time in your life. She was a joy to care for, the night I came to her home, although I didn't have the opportunity to spend much time with her. I also am pleased to have had the opportunity to know the both or you. You are a special family. The love that surrounds you will help you through this time in your life. If my schedule allows, I hope to see you at the Memorial Service. If not, please know I will be thinking about you. I pray God will grant you peace as he has, your Mother. Sincerely, Susan Woods, Amedisys*

“ I worked with Ginny in the clinic at Children's. I admired her and she was a great mentor to me as I learned that job. Since then I have enjoyed the yearly family and sailing updates as we both made several moves around the country. My deepest sympathy goes out to all of you. Blessings, Rebecca

“ Susan and Boo We are so sad to learn about your Mom. Your parents were great friends of ours and we have wonderful memories of very special times with them - especially boating. It is hard to believe that Bob and Ginny are no longer here and I can just imagine how very difficult this is for all of you. They were both way too young! Our thoughts and prayers are with you and your families -- this has hit us both very hard! Harry and I are moving back to Cincinnati the end of this month to be with our family and friends -- especially our 2 little granddaughters. Ginny's death just confirms that life is too short! Love to you all Sharry

“ Virginia was like another mom to me while Susan and I studied ballet together in Cincinnati. She and her husband were eternally optimistic and plain fun. Susan, you and Boo were like sisters to me and I wish you all my deep felt sympathy and condolences. I am so glad we reconnected and hope we can maintain a lasting friendship in these hard times and good ones too.
