“ Walter...I keep thinking I will wake up and find out that this was just a bad dream. You were such a good man and friend. I am honored to have been such a close friend. I was not only proud of you for all that you accomplished in your lifetime, but also proud of you for being such a strong person all the way around. I will miss you tremendously! You will never be forgotten. Until we meet again my sweet friend (and brother from another mother 😊) I love you!

Dear Walter you are already missed so much. You were a man to be admired and loved. We worked together in the City Clerk's Office. You were a man that was totally loyal, smart and you were a person who went that extra mile time and again for our office. I feel sorry for all of the friends and family that you left behind but have faith that you are with Mary Lou once again. Rest easy dear friend. Shirley Forry

“ I am still so heart broken over this! He was a good good man! He was always kind and understanding! He chose to see the good in everyone! He was VERY intelligent and would amaze me with his knowledge regarding firefighting! He was very passionate about it! I spoke to him about three weeks before his death and I am so glad he knew how much I admired and loved him! He is so missed and will never ever be replaced! The only good thing is knowing he is in heaven with his savior and his loving wife whom he missed and adored!

“ Tommy was a dear sweet friend to everyone. I first met him in elementary school. He was always so kind. As he got older he enjoyed serving and teaching. His love was the fire department, Red Cross, and Boy Scouts. He was a writer and did a lot a research on hydrocephalus. He is most certainly missed and will never be forgotten. Love you Tommy. I will see you again one day.

“ Shorty, I can't believe you're gone after all you went through to get the life you deserved so much. I'm just so honored that I could be a part of it, no matter how briefly, and I'll always treasure the wonderful times we had, especially for the year you were here. Godspeed, Bruddah!! I'm singing for you!! <3 <3 <3

“ Walter had a heart for sharing and teaching youth about first aid and safety. He was our health officer at our Cub Scout camp for several years. He loved helping those sick or injured, and even better he loved teaching the Scouts how to take care of themselves and others. He had the biggest heart and a servants heart. He gave and gave with joy. I know he is happy and perfect with Mary Lou and God in Heaven.
