“ I already miss my friend Wanda. When we first met at Chick-fil-a, she always impressed me with her ability to remember my name. She always had a smile for me and always was interested in what our church youth group was doing. We all love it when someone knows our name. I am comforted by the fact that Christ knows Wanda's name. She is safe in His loving arms now and forever more. And as I think back on her, I will always see her smiling at me from behind the counter at Chick-fil-a.

“ I'm praying for morgan, cortney, and the family. I had the pleasure of working with wanda for over five years at chickfila. She could zoom the cars through the drive thur like no one else could match. I liked seeing her face light up when the local firemen visited her at work. She was a great friend to me and I miss here dearly. She is smiling down on us from heaven.
