“ I would like to offer my condolences to the Huguley family and also share a comforting scriptural promise that very soon death will be no more, neither will mourning nor outcry nor pain be anymore...Revelation 21:4

“ I first met Wanda when she and I worked in the same office at Goodfellow AFB, Texas in the early 70s. Needless to say, our friendship formed quickly. And when our husbands played golf -- which was often -- Wanda and I shared our love for cats, cooking and shopping. Even when we were miles apart, phone calls, letters, and then emails kept us close. And I was lucky enough to visit Wanda and Mitch in Newnan just a few years ago. I treasure my friendship with Wanda and will always remember her as my friend who never forgot that life should be fun! Mitch, Lisa, Scott and I are thinking of you as well as both of your families, Judy

“ Wanda was such a joy to be around. She touched the hearts of everyone she met. I am saddened to see her leave this earthly home. But I take great comfort in knowing that she is in Heaven with our Lord and Savior. I will miss you, but I also will never forget you.

“ I was not blessed to know her very long, but she was a light! There is nothing one can really say to those who have lost someone so dear to them, but the thing I rest on now is from the words of Don Piper: "Our lose is only Temporary," because we will be united once again in Heaven, and then for eternity! My prayers are with everyone in the Church Family for our loss, and especially Wanda's family! God Bless Paul

“ Wanda was a joy to know, she loved life and she loved being with her church family. We will miss her. I met her at the knitting meeting on Monday evenings at the coffee shop on the square. She was easy to get to know and shared a lot of her memories with us. She taught me a few things about knitting as well. Once she and Mitch became a part of our church family they both threw themselves into many programs here. Wanda loved to study the Bible and was at our Sunday morning, Monday evening and Tuesday morning classes without fail. Mitch, we love you both.
