

Reverend Windell Charles Thompson

May 6, 1934 - June 6, 2016

Reverend Windell Charles Thompson began his life's journey on this earth on May 6, 1934. He was born in Haralson County, Georgia and was the son of the late Newt C. and Agnes Marie Davis Thompson. Early in his adult life he heeded the call of his country and joined The United States Army and served during the Korean War. Following his tour of duty, he returned home and began his career as a carpenter and contractor. He would marry Frances Virginia Cochran and together they would have four children. She preceded him in death in 2002. Reverend Thompson was a man of great faith. His belief in honesty, fair dealing and dependability would be the foundation of his career. His faith in his creator would lead him into areas of service as a pastor who loved to share the gospel. He was pastor at Grace Baptist Church for a number of years. He was a man of the simple pleasures in life that revolved around working, fishing, music, camping and, yes, finding himself often in God's house worshipping his creator. One of life's most important opportunities to Reverend Thompson was setting the example of a Godly life for his children. They are Patti Benton and her husband Charles, Darlene and Vince Meadows, Charles and Lysta Thompson, Melissa and David Murrow. He was a happy grandfather to 11 and great grandfather to 9. He is also survived by his sister Sybil Burns. Funeral arrangements are by McKoon Funeral Home at 38 Jackson Street where the family will receive friends on Wednesday evening between 5:00 PM – 7:00 PM. The funeral service will be on Thursday, June 9, 2016 at 11:00 AM in the McKoon Funeral Home chapel

“ *We were sadden to hear of the passing of Mr. Thompson, we had got to know him just a little at Alvalon as he for a time would eat at the same table as our Mother. Although he was always very quiet he would befriend her at the table and would sometimes come down to her room to socialize a little with us. He would always speak to us as we saw him in the hall and sometimes we would visit with him a little as he zipped up and down the halls in his electric wheelchair. After reading his obituary we realized that there was lot we did not know about him that made us respect him even more. A soldier, father, grandfather, pastor, tradesman what a legacy he leaves for his family and friends to remember. God bless his family at this time.*
