“ We were sorry to hear of Wendy’s passing. However she is in the arms of our Father completely healed. We had many good times of laughter with her. And she was always ready to do what needed to be done. She cared for anyone and everyone who was privileged to come into her life. She also sacrificed herself for others. She cared for her mom showering her with love. She loved Jim and Jonathan and I’m sure her daughter-in-law and grandchildren. She gave her all. We send condolences to the family. With love, Calvin and Sharon Benner

“ Wendy was a great and entertaining friend and coworker. She taught me (Diane Herrmann) how to always get home ... "Just follow the signs to the Airport". We remember her every time we see the signs. We will continue to hold her family up in our prayers.
