“ I am deeply saddened by the loss of Werner. I know it's hard to find comfort in things people have to say at first. I love you so much Evelyn and it breaks my heart to know what you're going through. Thus is a quote that helped me and still helps me.... "I know for certain that we never lose the people we love, even to death. They continue to participate in every act, thought, and decision we make. Their love leaves an indelible imprint in our memories. We find comfort in knowing that our lives have been enriched by having shared their love." You are tucked away in my heart as I pray for you daily. Much love, Cousin Sue
