“ Some of the best memories from high school involved Ross because of his passion for fun as well as his generocity in our friendship. I'm truly sorry that I'm late to pay tribute, but he and I lost touch, and I was just watching the Oregon-Indiana game at the Peach Bowl. Every time I see IU play, and every time I hear John Cougar (Mellencamp) sing, I think of Ross and have nothing but fun, sincere, and happy memories of him. I was hoping to reconnect with him and am saddened by his passing because he meant so much to me over the years. I love you (his family) because he would have never been the great friend to me if not for you.

“ Ross was one of my roommates when I attended West Georgia College. We became great friends and carried on that friendship after college. We lost touch years ago but he has been in my thoughts many times over the years. So many of the fun stories I have from college have Ross in them. He was always full of life. I was looking to get back in touch with him when I read that he had died on the internet. I am sorry I did not look him up sooner. My condolences to his family. He always had such love and respect for them. Rest in peace my friend.

“ I only recently heard about Ross' passing. I have many fond memories of Ross. He was a good friend back in school. He had a great sense of humor and was a blast to be around. But, most of all, I really admired and respected him. Back in Little League, he was one of the older kids. One day a group of the older kids were picking on me, and I was pretty upset. Right after they went away, Ross came up to me and consoled me. I'll never forget that. That's the kind of man Ross Bostic was. God bless you. Harp

“ I am so saddened to hear about the death of Ross. He and I shared many memories growing up in Rushville. From the basketball court, to the tennis courts, and the pickup games of wiffleball, basketball, and football; I will always have a smile on my face when I think about Ross. He always had a way to make you laugh and smile. He always seemed to know the right thing to say at the right time. My condolences to his family from my family. We will meet again one day, and I know God has a plan for you, that is why you are no longer with us.

“ So sorry to hear about the passing of Ross. He was a very nice young man. I remember the family when they lived across the alley from us. Jason and Ross were constantly playing one sport or another in the back yards and sometimes from yard to yard (across the alley). My condolences go out to Ross's family during this difficult time. Just know that you all have a special guardian angel watching over you.
