“ I was shocked to hear that Bill had passed. Bill and I were business partners for 27 years, and in that time we never had a cross word. He was always there to offer support and a kind word when needed. I am grateful for the opportunity and trust he gave me. His sage advice and friendship will be greatly missed. My thoughts and prayers are with his family.

“ I worked for Bill 18+ years. It was some of the best times of my life, not only career wise but also personally. We had so much fun in many ways. On the golf course, during lunches and sometimes riding together to meetings in Savannah. To Diane and the family, I pray that God will wrap his loving arms around you and comfort you during this difficult time. I hope you can remember him for all the great times you had with him. You can also seek comfort in the fact you will see him again some day. God Bless!
