“ *We will always have great memories of our trips to the mountains, to Boca Grande and to visit you at your house. You were always ready for any adventure we wanted to go on! You are on an awesome adventure now, sailing free and healthy!*

You were a great friend for more than 50 years, we will always remember you, your love of telling us about the weather, your love of Scotch, the dog and Brandi, your kitty.

Rest In Peace Bill !

“ I remember Mr. Domeier so fondly from my childhood! He was always so sweet to me, and I loved visiting the Domeier's house. He was probably the first real live scientist I ever knew, and I thought he was so cool! My thoughts and prayers are with the family.
