“ I'm so sorry for your loss. I too know the sting of death. The memories of good times will carry you thru these sad days. I hope that you can surround yourself with family and those who can build you up with the comfort you need. There is the best support found in God's word. Please read Isaiah 25:8. Death will soon be a thing of the past and there will be no more tears. Take care of yourself and let the scriptures fill you with hope and promise.

“ Bill was a mentor to me when I first started at Sunrise PD and for many years after. He was my first lieutenant on midnight shift and became my lieutenant in Administrative Services as well. He never forgot where he came from and was a supervisor with that always in mind. We shared many a story about his and my K-9 years. He will always be remembered. It was a pleasure and an honor serving with him
Rest In Peace Bill...the world is a better place for your having been in it.
