

William Henderson Hardin

August 4, 1934 - November 17, 2021

William Henderson Hardin died peacefully on Wednesday, November 17.

William, most often referred to as Bill, was born August 4, 1934 in Gadsden, Alabama to the late William Farrell and Mildred Henderson Hardin.

With his mother's permission, due to being underage, he briefly served in the Naval Reserves while still in high school. Upon graduating high school, he worked various odd jobs while traveling throughout the United States. Upon returning to Gadsden, he worked in broadcasting and as a freelance photographer.

After sampling a number of different universities throughout the United States, he received his Bachelor of Arts degree in Sociology from Jacksonville State University, Alabama.

Bill was married to his wife of over 50 years, Annita Gibson Hardin who preceded him in death in 2012. Together they traveled and worked in various cities in the United States and Europe while lovingly rearing three children.

A veteran of the United States Army, Bill retired honorably on his 60th birthday at the rank of Chief Warrant Officer (W4) after over 35 years of service.

He retired from the Department of the Army in 1995 with the now closed Ft. McPherson, GA being his last duty station. In more recent years, he was a member of the American Legion Post 57.

A member of the United States Chess Federation, he avidly played the Royal Game in person and online to the end.

A voracious reader, he enjoyed books about History and espionage. He was a

gifted storyteller who could often be found regaling a captive audience. He played the Saxophone during his younger days and was a member of the Million Dollar Band while attending the University of Alabama. Needless to say, two of his favorite words were 'Roll Tide!' He was a member and Deacon of the Macedonia Baptist Church, Newnan, GA.

Bill is survived by his three children; Brett of Ft. Worth, TX, Scott of Alabaster, Alabama and Mercedes Bailey and her husband Manuel of Washington, GA as well as granddaughter Jessica Elizabeth Hardin of Mandeville, LA.

“ *Bill was such a delightful man. I got to know him through our subdivisions HOA meetings and then he started attending Macedonia Baptist church, so I saw him much more frequently. When I first met him, I remember his personality and that wonderful handlebar mustache he had. I just know he was a lot of fun in his early years, he certainly was in his golden years! I know he liked to drive fast and he loved his T-Bird and I would see him tooling around with the top down, just having a great time. In recent years, he never stopped greeting people with that wonderful smile of his. You just wanted to say hi to him every time you saw him, he was that guy! I will miss him.... he was a gem !*

“ Bill and I spent every Friday picking on each other about football. I would come in in all my Auburn attire and he would cover his eyes and shake his head. He refused to say War Eagle, he would say War Bogle 🐉. His presence is already so missed.

“ *I've never had the honor of meeting Mr. Bill Hardin, but rather I'm a friend of his eldest son Brett. We've known each other for the past 20+ years. Tonight (Friday 19 Nov) during one of our monthly poker games (normally attended by Brett) - Steve Pena, Ron Trementozzi, Adrian Hinson, Tommy Rowlett, Mike Switzer, and myself (Patrick Rowlett) toasted/saluted Mr Bill Hardin with a sip of BLANTON's in honor of our friend Brett.*

With deepest sympathy of the loss of his father. God speed.
