“ *So sorry to hear the passing of William! He was a wonderful and cheerful man! Always taking care of the needs of his family first. I worked with William at Panasonic. He was a joy to be around! He would give me his egg roll, when we would order out on Fridays. May his family be comforted with his cherished memories! Bonnie Walsh*

“ *Mr. William & "Miss" Verna meant so much to our family. My mom, "Miss" Lousie Cole, always appreciated them and their love for Christ and Macedonia. Please accept my heartfelt sympathy during this time of loss. Through the years whenever I needed to contact the church, I always looked forward to "Miss" Verna answering the phone or visiting with her when I came by the cemetery.*

“ *My deepest sympathies are with this wonderful family that made a big impact on most of my childhood & throughout my high school years & beyond during this time of loss of Mr William. Perry, Lynn & Dawn were my dear neighborhood friends & Mr William & Mrs Verna were like second parents whom I admired & appreciated more than I made them aware of I'm sure. The Hayes family we're always supportive & encouraged our Christian involvement & provided transportation to & from church anytime we needed it. We shared many memories throughout our many years as neighborhood friends & I was so honored to have this special family teach & instill such wonderful Christian values & loving qualities I will always cherish. May Mr William RIP and Mrs Verna & each of your loved ones please know how much you are loved & will remain close in my thoughts and prayers. God bless you all & may Mr William RIP as we all know we will see him again one day. Much love to you Mrs Verna & each & everyone of your family. Hugs & prayers for you all. Pam Pettigrew Teague.*

“ *He was always the uncle that I was closest too, more like a second dad. I spent many hours at his house growing up and even had the pleasure of working with him for a couple of years. He was always kind and good for a laugh. You don't see the caliber of man he was much anymore and I will truly miss him. I'm so thankful that I got to sit and talk with him one last time for a couple of hours just the other day. Rest in peace Uncle William until I see you again on the other side. My prayers are with you Aunt Verna, Joel, Dawn, Lynn, Perry, and all the grandchildren. I love you all.*
