“ I have been trying to find the words to express my deepest sorrow. I finally realized there isn't any to describe how sad I am. So instead I want to say that Bill Jennings was so much apart of my life growing up he was a wonderful friend to my parents, and he loved my grandfather and grandmother. My grandfather thought of him like a son. To me he was more than a friend he was my very best friends dad and he was like a dad to me to. I will always cherish the vacations and weekend trips, with my family and Bill and his family on our boats. Bill Jennings will always be a part of my life and responsible for the wonderful memories of growing up. I will always love you, Ellem Marlow
