“ *I miss you Dad. Mom once told me that if was to ever admire a man  
that that man was you. I had always hoped that I got the best of  
both of you but, no matter how hard I try, I'll never be as wonderful a  
man as you. I always told you that you were my hero, how much I  
admired you, that you were the best Dad I could have ever wished  
for, that you were the strongest Christian I knew and how much I  
learned from you. I hope you know that those were not just words  
but that I believe every word of that with all my soul. It is because of  
you that I am a Christian, humble, hard working, kind, respectful,  
and other qualities that you taught me. I hope I made you proud.*

*You are forever my hero, my Dad and I miss you already.*

*I Love You Dad,*

“ *Bill and Dickie have been great friends for many years. It won't be the same walking into church and not seeing Bill in special place. Bill always had a smile and that will also be missed. He will surely be missed by all of us.*

“ *I worked with Bill for over 40 years. He was passionate about his job, his customers, his family and his faith. I might add he was a great salesman simply because he loved to talk to his customers and get to know them . He was a dear friend to me and will be greatly missed. The Lord has received a fine man in Heaven.*
