

## William Allen Moore

September 3, 1998 - November 13, 2017

God places some very special persons in our lives. William Allen “Will” Moore was one of those persons. Will was born with congenital muscular dystrophy. While this did put many restrictions on his life, he persevered and lived life as best he could on his terms. He had a lifetime fascination with buses and would never pass up an opportunity to be onboard. He especially loved school buses and garnered quite a collection of them and thoroughly enjoyed showing them off. One character trait for which he had no limitations was his capacity to love. His love for family and friends was of the purest love which had no qualifications or conditions. Will especially loved his church family at Arnco Baptist Church. Will is survived by his mother and caregiver Sue Marks Moore. His brothers are Malcolm (Misty) Moore, William (Crystal) Moore. His sister is Jeri Moore. His grandmother is Sara Marks. Also surviving are his nephews Jamie, Austin, Peyton, Ethan and Cooper; his nieces are Mallie, Mackenzie, Mary Grace, Cailyn, Alexis and Ellie Claire. There are also his aunts, a special cousin Corbin Tweedell and special friend Meghan Davis. There is also his much-loved church family at Arnco Baptist. Will’s family will receive friends at McKoon Funeral Home on Thursday evening between 6:00 PM – 8:00 PM. The funeral service will be Friday, November 17, 2017 at 2:00 PM at Arnco Baptist Church and will be led by Reverend Tim Stitcher and Reverend Malcolm Moore. Interment will follow at Oak Hill Cemetery. Online condolences may be expressed at [www.mckoon.com](http://www.mckoon.com). McKoon Funeral Home 770-253-4580.

*“ We are fondly remembering Will, especially this week as we are having our Special Needs basketball. We had the pleasure of Will not only attending our basketball, but also our Special Needs baseball. There are many stories each of us will carry in our hearts. Please accept our heart felt condolences. Will, you will certainly be missed. You knew how to put a smile on our faces! Coweta County Recreation Department*

“ This young man would come to Walmart quite often with his family. Each time he came in and saw me sitting on the bench by the front door, he would raise his hand as if he had known me for years. I always acknowledged cheerfully with a return raised hand. We actually never knew one another, but I was always blessed by his presence. I am 68 years old and I felt honored when we exchanged our little friendship wave. He never failed to offer that gesture to an old man whom he never knew. I know God has a special angel by his side going into the holiday season and I pray God will fill the hearts of all of us on this earth with all the kindness and goodness this young man had in his. Good Bye, my Friend.

“ I have not known will very long at Arco Baptist Church but the time that I have known him he was the sweetest and loving young man I have ever met he will always be in my heart I will miss my little Huggy Bear we all will. One of my memories of whale was when we were all on the church bus we were going by to pick up Will and he was standing in the yard and he seen the bus and he just started running he was so excited to get on that bus. My prayers and my thoughts goes out to Sue and her family. I love you will. ♡

“ Will was the most loving young man I have ever had the pleasure of knowing. He had an infectious personality and was a joy to have in our classroom. One of my favorite memories of Will was when our class took a field trip to the fair. Will was brave enough to climb the stairs for the tall slide, yet had second thoughts on sliding down. I hiked my way up as well and hand in hand we slid down together. He was so proud and so brave. I take comfort in knowing that he is no longer in pain, however my heart still aches for Will's family, friends and classmates.

“ Some people leave footprints on you heart. Will was that person. Although I didn't know him for long, the impact will be forever. From the time I first met him, he seem to have taken to me and my husband. Constantly showing us love, always telling us something or touching us to show us something. Will had a wonderful sense of humor. And when I was with the women at church stuffing bears, Will came up from behind me and I didn't know it. He touched my shoulder and I jumped out of my skin. Will couldn't stop laughing his heart out. He came up to me with his hands in a shaking motion and said SCARED, and from then on whenever he saw me, he would shake his hands at me and laugh at me and said SCARED. It became a private joke between him and I. Another memory I have of Will is at bible study, he was sitting in front of us with DARLENE, there was a little worm crawling on Will. I was just about to tell DARLENE when Will felt something crawling on him. He grabbed the worm, saw the look on my face; laughed at me and squished the worm. He was the heart to all that knew him and I know for certain without one doubt; as soon as JESUS saw him and embraced him, HE said to Will "WELL DONE MY GOOD AND FAITHFUL SERVANT." I will miss you Will. Until we meet again.

Love,

Sheryl Berry

“ I met Will when he attended Evans Middle School with my daughter. I did not get to really know him until the first time my daughter and he were in the Special Olympics bowling tournament. I knew then my life was touched by an angel. Then my husband and son got to know him and loved him as much as my daughter and I did. We will miss him greatly, but we all have a very special angel watching over all of us.

Our deepest and love,

“ Will and my son had class together and Will would always make sure that they got on the bus. He was always so happy and even when he went to high school he remebered his buddy from middle school. I will never forget all the hugs and hand shakes that he gave me. And I will always remeber you Will. And your family are in my prayers.

“ Will was one of my most favorite people. I never had a child on my school bus that loved being on the bus as much as he did. He always remembered me no matter how long it had been since we had seen each other and I loved those hugs. I will never forget how loving Will was and he will be missed by me and so many more. Sue, I'm so sorry, we have been friends for a long time and I will be praying for you continually as well as everyone who loved this wonderful young man. God bless you.
