“ I only met Delma a few times, that is when he would visit Travis and Tina Duncan. Even though I didn't know him all that well, he is one man I will always remember. I had heard Mr. Travis talk about him many times before I finally actually met him. I have met a lot of people since then that knew him and he will truly be missed by many. God Bless

“*Delma was a childhood friend of mine. We grew up together in McIntosh Village and went to school together and got into trouble together! He, Tommy Huddleston and I were good friends. Tommy and Delma were like brothers and in some ways more than brothers. We all went into the Army about the same time and we all served in the Airborne. Tommy and Delma with the 101 st Airborne and I with the 82nd. Airborne. I did not here about your lose until the day of the memorial service. He will be missed. I am sad that I did not see or hear from him for so long a time. My wife and I moved to Athens Ga. and lived there for 12 years. Your Father and Grandfather was a good man. We as teenagers looked up to him as a role model in our young life's because of his work ethic and his way of having things none of us had, (Due to our own stupiditty.) However we had alot of good times together and some not so good. I will pray for you as a family and I will always remember our frienship. Blessings, Archie*
