“ To the best dad that anyone could ask for. Everyone down here misses you. It’s been 16 days since you have gained your wings and it still doesn’t seem real. I will forever cherish the memories that we share together. I see signs everyday that tell me you are always around in spirit, and being supportive like you always are. I love you more than you’ll ever know. ❤️ 🏳️‍🌈

“ Steve was an amazing, strong, intelligent man. He loved my mom to the fullest. He stepped in and showed me what a true father's love is. Even though we butted heads more times than I can count, his love was unwaveringly. He was the greatest pawpaw to my children. I miss him every day. But I do believe I will see him again. Love you always

“ To my beautiful cousins and Aunt, words can't express the sadness in my heart at the loss of uncle Steve. Unfortunately, it took this great loss to bring all of us together. I loved spending time with everyone and hope we can get together again soon!! Meemaw is surely looking down, proud to see her family loving on each other❤️

“ Thinking of and praying for all of you. I was fortunate to have Steve as a brother-in-law. We had so many good times together at the Air Force bases from Homestead to Panama. I'm thankful I was able to see him at the last family reunion. Steve will always hold a special place in my heart. 💕🙏💕
