“ *I have been knowing and working with Bill and Nancy Roy for about thirty years. They have been an anchor for the Senoia Sr. Center and I really appreciate Mr. Bill being willing to help out with the Seniors. He was really my right hand man there. He will missed by the town of Senoia. I remember my father, Paul, coming to meet them and introducing himself when they first moved to Senoia. They had a big party and he didn't get invited. He thought he might have made them mad. He thought he might have rubbed them the wrong way by introducing him. But they turned out to be true friends and he will be truly missed by many.*

“ *I was heart broken to hear about Mr. Bill. He was such a sweet man. I remember when we were clowns together in a parade in Senoia back in the 70's. He never forgot, either. I will miss seeing him around town.*
