“ Carol ... Bill was the lifter of spirits every SINGLE day at AirTran and SW and after he retired nothing quite seemed the same. He was also, one of the most genuinely down to earth souls I've ever met and if there were positive or words that would break any tension to be found, Talley would somehow find them. I will miss his presence in this world. I know how very dearly he loved and adored you. He spoke often of you and when he did, that familiar grin would spread across his face, he'd get that twinkle in his eye and in precious Talley style, he'd fondly recall an event or time or place that involved you. I'm so incredibly sorry for your loss. If there is ever anything at all I can do, please let me know. Deepest Condolences. Your Friend, Lynn Rutherford

“ I worked with Bill for short time in MIA at Eastern back in 1976 when I hired in. He was a good mechanic and easy to work with. Got along with everyone.
