“ There are just too many memories to pick just one. I will never forget that contagious laugh...all I had to do was look at you, and we would laugh hysterically for no reason at all. Just know that you'll always be in my heart, and I will never forget all the good times we had! I don't know why you were taken from us so soon, but I find peace knowing you and Emily are now together again. Love you always, Tootsie!!

To all of Daniel's family and friends: My sincerest condolences...you are all in my prayers!
