I am very sorry to hear about the passing of Darby. I enjoyed teaching him in kindergarten at Thomas Crossroads. I am sure he had a beautiful life after looking at the video. You are in my prayers. I am praying for comfort for your family.

“ My heartfelt sympathies to all of you. Our "Granny" at the H+K shared many stories of her dear Darby. Linda is Granny to us because that was how we know her best, as a loving grandmother who was as much a friend to Darby as a family member. The grief for you all that I feel can't be fully expressed. I hope the love and caring from others helps in some small way to bring some comfort.

“*Darby was friends with my son, Sam, and was one of a group of young men who visited my home regularly. I considered him one of my boys. It's inconceivable that he won't be here anymore to say hi and talk about the goings on in his life, and the people he loved. From one mom to another, Mrs. Digan, Darby was a beautiful, smart, funny young man that you raised to be kind and good. He will be so terribly missed by everyone whose life he touched.*”
