“ Dear Vonnie and family;

Jack was very special to me and I regret that we didn't spend more time together other than our backyard chats. I will always remember Jack as " The Block Supervisor!" He always knew what was happening in the neighborhood and the city of Smyrna. He was a friend to all and rarely missed an opportunity to welcome someone new to the neighborhood. Jack was a very good man and I began missing him when y'all moved to Newnan 3 years ago after being our (Butch & Karen) neighbor for 35 years.

Jack and I both had a little devil in us as we took pleasure and looked forward to teasing each other. I remember the first time after you returned from a vacation from the Smokies. I told Jack that I looked forward to the next time he would be going out of town so I could hook up my hose to his faucet to water my lawn. He didn't know whether I was teasing or not! I knew I had got him good Vonnie, because the expression on his face was priceless!

God bless Jack. I was blessed and privileged to have you as a friend.

Your buddy,

Warren (Butch) Butcher
