“ Connie,
My love and prayers are with you now and
always. Your Mother.....what a joy to be around
her. Always a smile and a hug...then making
sure to make you feel at home...a Southern
Lady!

I just described you...you are so very much like her, and your
grandmother. ..I remember the story you told of her.
I am blessed to have you as my friend and to have gotten to know
your Mother. I am so glad that she came to live with you and
Courtney these last few years. ...I know it was such a joy and a
blessing for you all. Whenever I was around, I could feel the love
yall had for each other and the love she felt for Jen and Jeremy and
their families....
I'm sorry I didn't make it but we will see each other soon. I love you
girl, and I loved your Mom. I hope she knew that. She will be truly
missed. ..but we will all be together again ...and what a day that will
be!
Until then...
