“ Kevin & Julie: We feel so sad for you for the loss of your father .. and we feel so sad for our loss of a sweet man who, with his presence, made a whole room full of people light up each time he was in the dance class. We all loved him and will miss him in our presence, but I know he is with God. When we do get to go back dancing, we will have that special chair in remembrance of him.

*Love you

“ *One of the sweetest most kind loving man I know. He took really good care of me when I was little girl and spent lots of time with him and my aunt Gwen . I used to kiss him on his cheek when he took naps and run away ...he had one eye open and a sweet smile every time . I know he's with his beloved wife holding hands in heaven with her. Such a wonderful man . We love you Kevin and Julie and will pray for your broken hearts .*

With much love
