“ *I worked with Wilma at Airborne Freight/Express in ATL for several years before I moved to Jacksonville. She was one of the nicest & kindest co-workers I have ever had. She took the time to make sure I understood what I was supposed to do without making me feel stupid. I'm sure she will be sorely missed by her family and friends. So sad she is gone but happy she is no longer in pain and is reunited with her dear Jesse. My prayers go out to her family.*

“ Dearest person on the planet, Wilma East, as I knew her. Wilma worked with me for two years at ATL airport for a company we called Airborne Freight (later Airborne Express) in the early 80's although I knew her earlier from visits to the ATL office on Willingham Drive. We all looked to her as kind of a surrogate mom. She was full of wisdoms for all the young persons on staff and extremely kind and funny as well. She always cared about the work and the people, I had nothing but admiration and affection for her. Still do. Very sorry to hear she's passed, may GOD bless her spirit. All my love to her and thanking her for everything she did for me back in the day.

It was an honor to serve Wilma and your family during her last days on earth. May the family feel the comfort of God upon you. May the song of the LORD grant comfort to face the future.
