“ To all "Grandaddy's" family, My thoughts and prayers are with each and everyone of you. I know you will miss him very much. We all know he has looked foward to his "new" life for many years and how great to know he is there now with no more sickness! I was thinking of all the years I have been friends with April and what a blessing it has been to call you all my 2nd family. Much love to each one of you. Kimberly
