“ Kim, Jan and to all of the Pierce family, so sorry to hear about Wimp's death. Haven't seen him in quite sometime but never pass the house that he use to live in at the front of Murphy Rd. that I don't think about him He was the one that came and picked Aaron up the night he passed away. He was always such a nice man and Aaron always thought so much of him. Sorry I did not get by the Funeral Home tonight but you will be in my thoughts and prayers tomorrow and in the days and months ahead. May God give you the strength and comfort and peace that only He can give you during this difficult time. Put your trust in Him in the days ahead and He will get you through all the lonely days; may He bring wonderful memories of Wimp and the days you had with him. Love You, Syble
