“ *Hi, I am so sorry to hear the news about Winnie. Even though I never met her, I knew her. I work for a company that she called often to help her customers, so we have talked and had many conversations over the years. I wanted to share this with the family to let you know she touched the lives of many people and was a blessing to us all. When I would pick up the phone and hear " Hey this is Winnie" I knew I was going to have a good day. She was always a joy to speak with and we will forever remember and miss Winnie. My heart goes out to the family and may God Bless you all.*

“ To the family so sorry to hear about the death of Winnie, I know her from Playtex and always enjoyed talking with her. She was a sweet lady and will be missed but know that she is in Heaven with Jesus and suffering no more. May God comfort you and give you His Peace now and in the days ahead; one day we will be reunited with our love ones if we have put our faith and trust in Jesus and today we know that Winnie is having a wonderful Mother's Day with Jesus. You are in my thoughts and prayers.

“ *I sure do have a lot of memories of Winnie... But I will always cherish her kind and thoughtfulness for me and everyone really.. My heart is broken right now cause just a few weeks ago I was talking to her on the phone to catch up, one of the last things she said to me was I love you and come see me... oh how I wished I had.. I met Winnie at the auction where we used to work. Such good times we had.. she always saw the good in everyone .. we had countless conversations along with a whole lot of laughing..*

*I will never forget you Winnie, you have forever left an impression on me.. You rest now and know that I loved you unconditionally...*

*You were a true Lady and I can only hope to aspire to be as half as a good person as you were..*

*I love you.....*
