“ Little Woodie and family, I am so sorry to hear of your Dad's passing. Growing up in East Newman, I spent many days at his store, even when it was beside the railroad tracks. I know he used to love to see people come in. He didn't care if they bought anything or not, he just loved to talk to them. I know your Mother has been wondering what took him so long to come see her. May God bless all of you as only he can. Prayers and love to you. Jimmy Brown.

“ *Nora Ann, Woodie and Family: We are sorry to hear about Mr. Woodie's passing. Cindy grew up around East Newnan and got to know the family at the store. I also visited the store with my daddy. He thought a lot of Mr. Woodie and spent a lot of time talking as I remember. Often there would be several fellows from the community standing around debating issues of the day. We are asking for God's blessings on your family.*

“ *To Mr Woodie's dear family What a good friend he was to me growing up. When I think of my daddy 's buddies while I was a kid hanging around my daddy's bait store I can't remember anyone more than Mr Woodie . I would either hear "now Woodie you know " or " now Charlie you know". This country would be in a lot better shape if it lived by their values and work ethic. Mr Woodie as so many we have had leave us left a great road map to live by. May God continue to bless Mr Woodie's family as he would say he has been so blessed in his life. You all are in my prayers for comfort and strength. Royce Williams and family.*
